July, 2016

Issue No. 160

New Manager Robyn Jara

Aloha members! It is a privilege to greet you all as the new Manager here at the credit union. As you may recall from the last publication, after 45 years of hard work and dedication to the credit union, the previous manager, Vera Mae Kaaikaula, has retired. We wish her all the best as she is now able to focus full-time on the activities she holds dear: watching her grandchildren and going to Vegas!! She left very big shoes to fill and I am honored that your board of directors demonstrated the confidence in me to continue the legacy that Vera, Tony Bise and the many others have established throughout the past 79 years. Since becoming part of the staff 10 years ago, first as the credit union Accountant and then as the Asst. Manager, I have truly come to appreciate this community's rich history and member loyalty. The credit union's philosophy of "People helping People" will not change and I am committed to preserve this by continuing our tradition of going above and beyond to provide you with the kind of customer service that you are accustomed to and deserve.

As we go through this time of transition, now is a great opportunity for you to become part of our dedicated group of volunteers. We would love to partner with you as we focus our efforts to sustaining Ewa FCU's position in this growing community. Please consider serving on the board of directors or becoming part of our supervisory committee. But most of all, we encourage you to remain as ambassadors for Ewa FCU, sharing with friends and neighbors the excellent benefits of being a member so that they might want to become one too!

As a reminder, our field of membership has gone beyond the quaint town of Ewa Villages. Membership is now open to include all households and businesses with the 96706 zip code, basically all of Ewa and Ewa Beach!

Again, it is an honor to serve you and I look forward to seeing you at the credit union!

Sincerely,

STATEMENT AUDIT TIME

As required by the National Credit Union Administration, the Supervisory Committee is conducting their bi-annual Verification of Members' Accounts for the period ending June 30, 2016.
