WHAT KIND OF SAVER IS YOUR CHILD?  
 TO FIND OUT TEACH THEM TO START SAVING!

### YOUNG CHILDREN (6 AND YOUNGER)

#### Give them a toy bank

Add change to the bank to introduce the concept of money.

#### Talk while shopping

Discuss the cost of items. Put any change in their piggy bank.

### OLDER CHILDREN (6-12)

#### Give an allowance

Introduce them to money management. Quarters are a good denomination

#### Start a jar system

Make a jar for Give, Save and Spend. Divide allowance evenly.

#### Take them to the credit union

Open a youth savings account, & take them to deposit their save jar.

### TEENS

#### Add more accounts at Ewa FCU

When they are ready, consider a checking account and/or Visa Prepaid debit card to help them manage their money. Developing good money management early sets them up for success later in life.
