HURRICANE COVERAGE

Your home is your castle. It protects you and your family, as well as your worldly possessions, from the elements. For many, the home is also your major investment. Yet natural hazards such as hurricanes can threaten your home, and the results can be devastating.

That’s why Ewa FCU is working with Farmers Hawaii to provide our members with special rates and priority service. Farmers Hawaii understands the needs of Hawaii residents with local hands-on care that our members in the community deserve. That way you know you’re getting the coverage you want.

Hurricanes are most likely to occur June through November, so now is a good time to talk to a Farmers Hawaii representative to make sure you are prepared. While it is never possible to eliminate all damage from the destructive force of a hurricane, speaking with a representative from Farmers Hawaii could significantly lower your risk and possibly save you money on your existing coverage.

If you purchase hurricane insurance through Farmers Hawaii, you’ll receive a discount on your Farmers Hawaii auto insurance policy. If you don’t already have a Farmers Hawaii auto insurance policy, call the dedicated credit union line today at 800-515-1023 and you could save up to \$427* on your auto insurance.

Farmers Hawaii has been the choice of many island residents since 1955. We’re always here to answer your questions, as well as help keep all your insurance plans up to date.

Call them at 800-515-1023 or visit FarmersHawaii.com

*Average savings from information provided by new policyholders from 8/1/16 to 8/1/17 which showed that they saved by switching to Farmers Hawaii Auto Insurance underwritten by 21st Century Centennial Insurance Company. Hurricane insurance placed through Hawaii Insurance Consultants, Ltd.
